Learners' Suitability

This course is suitable for everyone working in a supervisory and or in a training position. You should have a degree of confidence in delivering presentations and must be able to possess the potential to deliver training.

Reasonable adjustment will be made for any candidates with learning, ethnic, culture and mobility requirements.

Please inform us of any learners with any of the above requirements that you are aware of and if you wish to view our reasonable adjustment policy please do not hesitate to ask for a copy.

Please inform us of any learners with any of the above requirements that you are aware of.

We also seek to ensure all candidates have chosen a course that is appropriate for their working practices and environments and/or progression to further training.

What do you get on the Course?

You will be given all the resources on the course so that after if you are successful after the course you have all you need (document wise) to deliver a NPLQ course.

You have a maximum of two years as a Probationary TA and need to do the following in that time

- Plan and prepare Master Programme to fit within your pool and classroom availability
- Contact Mentor prior to setting course dates to ensure availability and support is provided
- Run NPLQ course and present candidates for assessment
- Conduct an NPLQ assessment with your Mentor
- Complete points in this order

Once you are a fully qualified TA you can do the follow

- Plan and deliver NPLQ courses
- Assess NPLQ courses
- Deliver on-going training (You can do this as a PTA but it is an Operators responsibility to give permission to deliver on-going training)
